CELEBRATING SUCCESS

West Haven Public School and East Elementary School

On January 19th and 20th, West Haven Public School and East Elementary School were hosts to the Black Gold Elementary Boys' Basketball Tournament and Consolation Tournament, respectively. Both schools commented on the exceptional effort, respect and sportsmanship demonstrated by all players throughout both tournaments! A huge thank you to all of the Black Gold staff volunteers, coaches, referees, fans and athletes who came out to support elementary boys' basketball and for such a great job in the organization and operation of both of these events!

East Elementary School

Congratulations to East Elementary School for 25 years of participation in the Club Moo program, which provides an opportunity for children to have fresh, cold milk during their lunch hour. This school has been recognized by Alberta Milk for reaching this major milestone with Club Moo. Being that most elementary schools do not have cafeteria facilities, these schools have to put in an extra effort to offer the milk program.
