International Field Trips/Travel

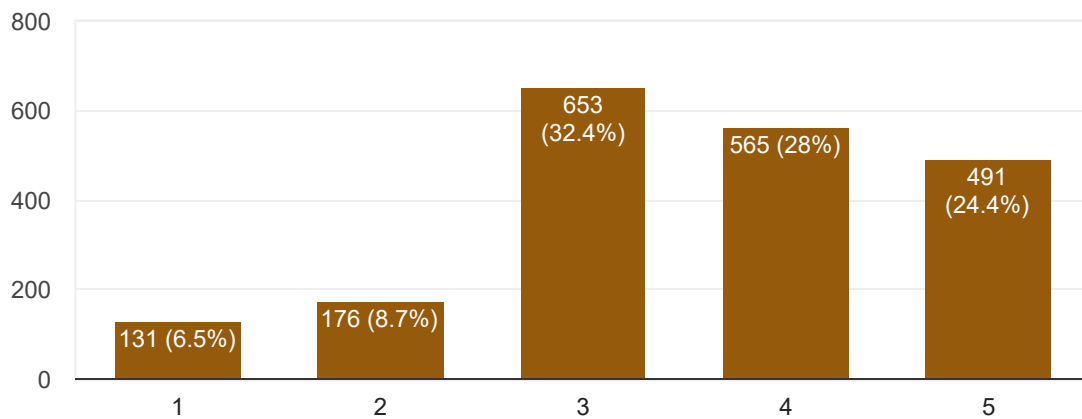

Should the Board of Education's mandate include authorizing international field trips/travel opportunities for students in Grades 10 - 12?

2,016 responses

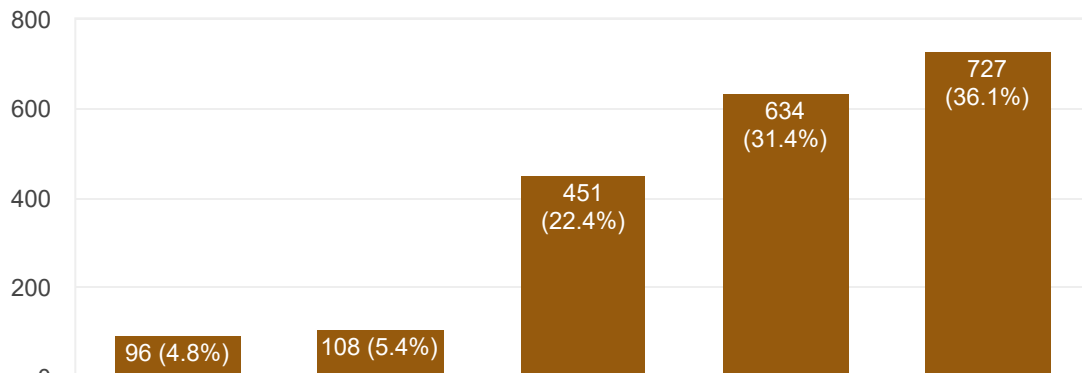

All Board of Education approved field trips/travel should be linked to Alberta Education curriculum outcomes.

2,016 responses

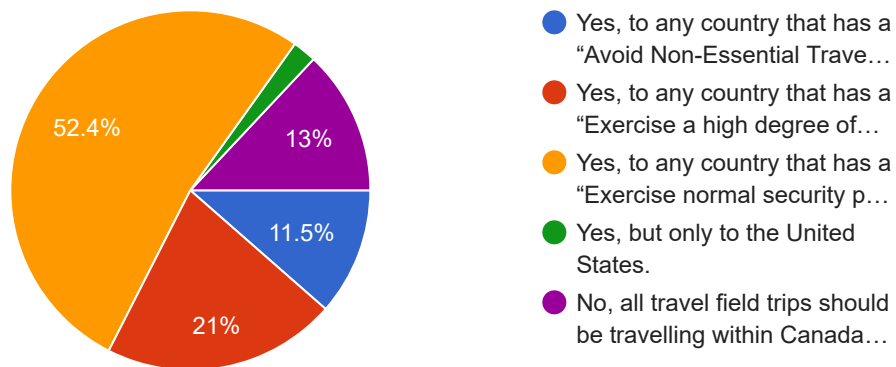

The Board of Education should approve field trips/travel for non-curriculum based travel opportunities, for example athletic competitions, humanitarian, citizenship-based travel.

2,016 responses

Should the Board of Education reinstate international travel for Grade 10 - 12s with Board consideration of Government of Canada advisories?

2,016 responses

- Yes, to any country that has a "Avoid Non-Essential Trave..."
