

Leduc County Family and Community Support Services (FCSS)

We hope this message finds you all in good health. We recognize this is a stressful time for families, and we know that everyone is coping differently, and in the best way they can.

There are many resources available for families during the COVID-19 response; however, it may be overwhelming to know what the best resources are, where to find legitimate supports, or how to ask for help.

Your local Family and Community Support Services (FCSS) offices are operating primarily through telephone supports. We are here to help you navigate through available resources, discuss your needs and/or stressors, and provide access to future programming that can support your family.

You can reach Leduc County FCSS at **780-979-2385**, Monday to Friday, from 8:30 a.m. to noon and 1 to 4:30 p.m. As well, please visit our [website](#) for information on social support services.
