Our Core Values

- ***Student-Centred Learning***

At Black Gold, learning starts and focuses on the student. Though it doesn't end there. Every member of the school division engages in active learning, with the purpose of creating the best experience for our students and staff and the healthiest school communities possible. We celebrate the light bulb moments with students and staff alike. We work hard and we have fun too.

- ***Relationships***

At Black Gold, we foster positive relationships based on mutual respect and trust. We make meaningful connections with each other that strengthen over time. We don't give up on students or each other. We are proud of the relationships that we build in our schools and in the communities that we call home.

- ***Safe, Supportive Environment***

At Black Gold, we strive to create an inclusive environment that embraces diversity and is supportive and safe for all. We value the health and wellness of every member of our school community and commit ourselves to sustaining this welcoming and positive culture every day.

- ***Passion***

We love what we do. We inspire wonder and curiosity in our students to become engaged learners. We seek to light a spark in our students and in our colleagues to achieve their goals and dreams. We dedicate our time and creativity to help each other succeed along our journey through life. And we go the extra mile to create memorable moments.

- ***Responsible Resource Management***

At Black Gold, we honour and acknowledge that we are active and welcome members of a larger community. We do our best to ensure that students and staff have the tools they need to succeed. We manage our financial resources responsibly. We have developed a reputation for being innovative and for applying technology wisely to the process of learning. We value each person who chooses to work with us and commit to helping them to develop their skills and talents. We understand that time is a precious resource and we use it wisely.
