

Administrative Procedure 211

ENGLISH AS A SECOND LANGUAGE

Background

All students are to be provided with the necessary language skills in order to fully participate in our education system.

Procedures

1. Where a school has enrolled students who qualify for ESL funding, the Division will include the funding in the school's budget.
2. Each Principal or designate will be responsible for assessing the language needs of students and providing appropriate learning opportunities.
3. The Learning Services Department will provide assistance in developing, implementing and assessing appropriate instructional programs.
