

Administrative Procedure 163

ALCOHOL PROHIBITION

Background

All student activities and any school sponsored activities will be alcohol free.

Procedures

1. Student and School Activities

- 1.1 No alcohol is to be consumed, served or sold at school sponsored activities, or school graduation banquets and ceremonies.
- 1.2 Student and school sponsored activities whether or not they take place on school grounds are to be alcohol free.

2. Non-School Sponsored Activities

- 2.1 Based on good risk management practices, there shall be a strict segregation of Division staff and resources from any graduation activities planned by parents or students where consumption of alcohol is involved:
 - 2.1.1 Division staff shall excuse themselves from any such discussions, planning or activities.
 - 2.1.2 Division employees shall not participate in the supervision of any graduation activities where alcohol is permitted.
 - 2.1.3 Discussion or meetings on graduation activities where consumption of alcohol is involved shall not be permitted on school premises and information shall not be publicized through any school or Division communication.

3. Community use of school facilities will be alcohol free.
