SAVE THE DATE! Calmar Collegiate Grand Opening

We continue to make steady progress as we prepare for the official opening of Calmar Collegiate, and we anticipate completing construction before the Christmas break.

We celebrate the many collaboration opportunities between Calmar Secondary, Post Secondary Institutions, Division Office, and Industry that will promote a successful start-up of the program. We look forward to welcoming students for the second semester.

Please save the date of **Thursday, January 15, 2026**, for a Grand Opening Celebration. More details will be shared shortly (including time of day) once the planning committee has met.
