

Administrative Procedure 363

COURSE SEQUENCE TRANSFER

Background

A student may transfer between course sequences at the high school level, if appropriate.

Procedures

1. High school Principals are to develop course sequence transfer procedures.
2. The procedures are to consider the recommendations of Alberta Education as found in the Guide to Education ECS to Grade 12.
3. Exceptions to the procedures may be made by the Principal on a case-by-case basis.
4. The course sequence transfer procedures are to be communicated to the School Council, parents and students.
