

Administrative Procedure 202

EDUCATION WEEK

Background

Education Week dates and themes are announced by Alberta Education and the Alberta Teachers' Association. It is usually scheduled for latter April or early May.

Procedures

1. Each Principal is to announce school Education Week activities in his/her school newsletter and post on their school website and social media.
2. Education Week information is available on the Alberta Education website and the Alberta Teachers' Association website.
3. School activities should be shared and highlighted with the Board of Trustees through the Communications Department.
