

# SCHOOL NEWS

FEBRUARY 2022

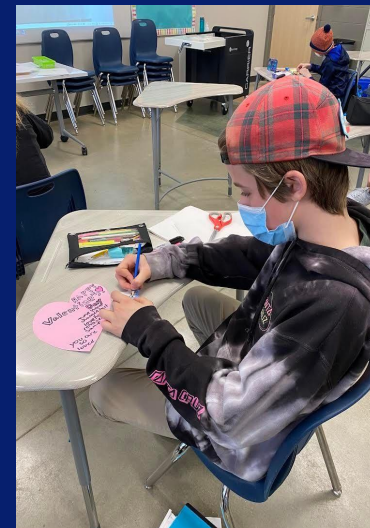

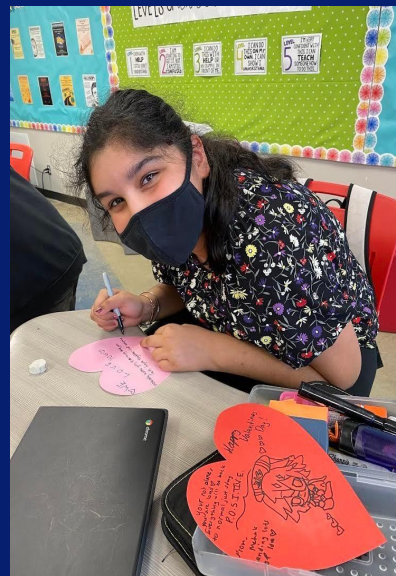

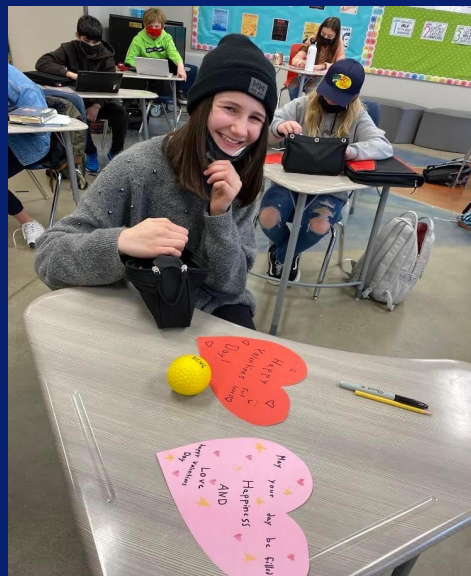

The Grade 4's at Willow Park School are really getting into the Wordle, and they're nailing it.. 👍😄

Cupid visited Willow Park School on Valentine's Day, delivering hearts and goldfish to all the students.

For Valentine's Day Miss Zaremba's Grade 9s and Mrs. Giles' Grade 7s at École Champs Vallée School spread some love to senior citizens in their community by writing positive messages on heart-shaped Valentines. 🥰💕

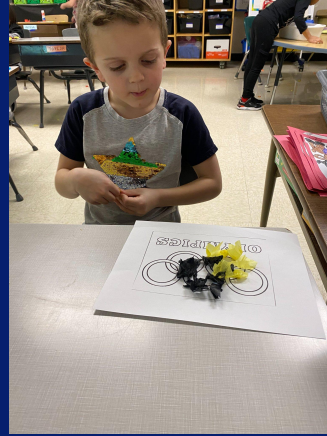

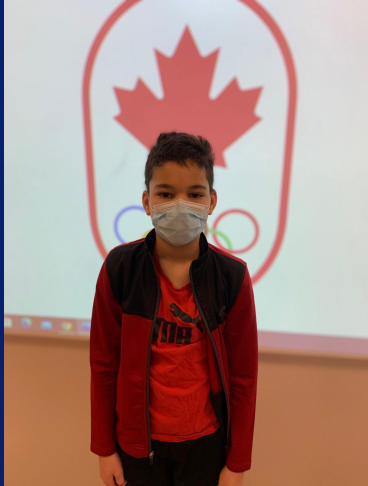

École Coloniale Estates School Grade 3-2 students created digital heart artworks for Valentine's! 💕

École Beau Meadow School was a sea of red and white to show their Canadian pride for the start of the Winter Olympics! 👍

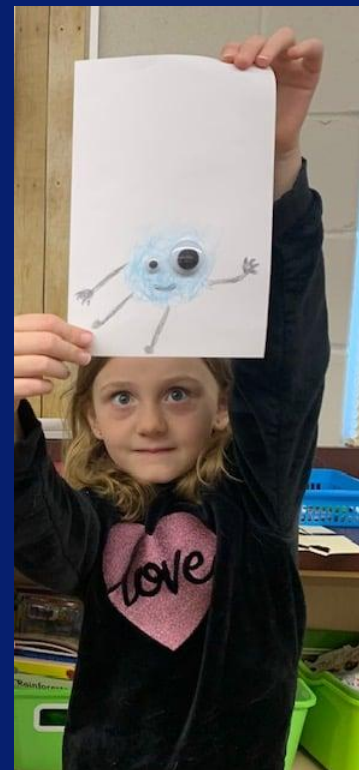

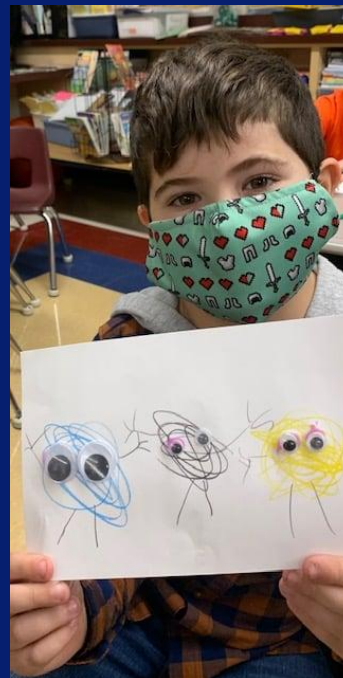

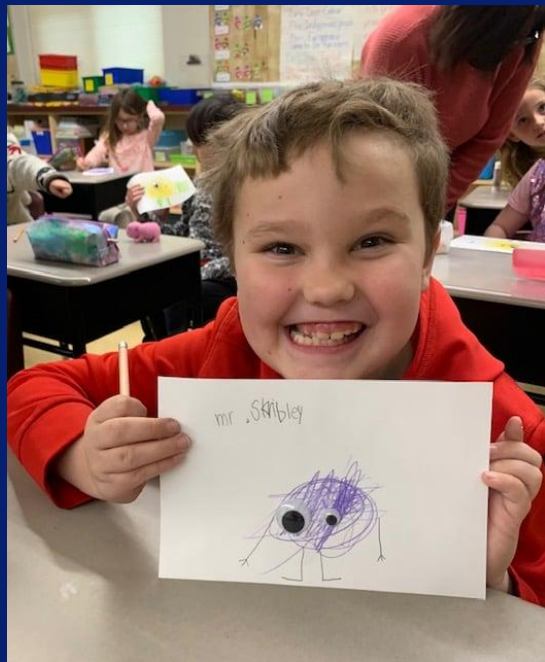

The Grade 4s at École Corinthia Park School have been learning about the history of Head Smashed in Buffalo Jump, and how the First Nations use each part of the bison to survive.

During their recent Character Ed Block, Calmar Elementary Grade 2 students, with guidance from the Black Gold Mental Health Capacity Building team, read "I'm not just a Scribble" and made their own scribble characters...complete with googly eyes!

In celebration of Black History Month, the École Champs Vallée School Rainbow Cafe club put together a display of the "Periodic Table of Canadian Black History" with QR codes that students can use to access information about each important figure.

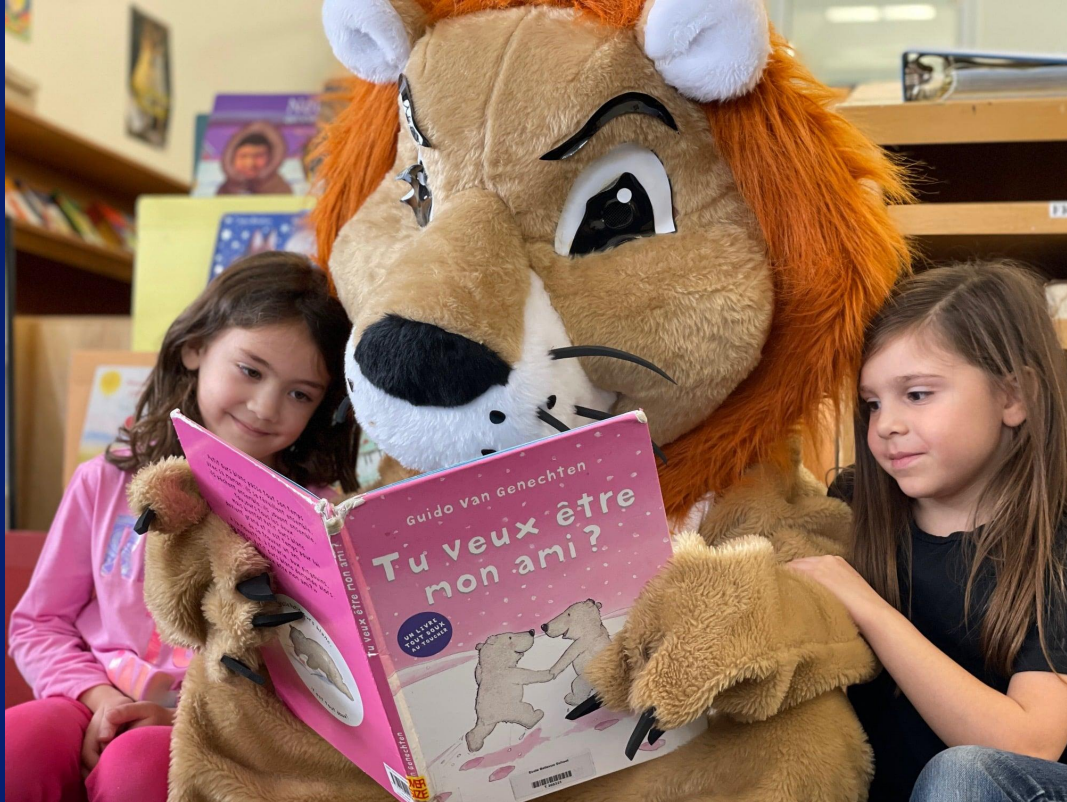

MHCB Success coach Angela taught "The Feels" curriculum to grade 3 and 4 students at Robina Baker Elementary School. It is an emotional wellbeing series that was developed to help children identify and embrace all of their emotions.

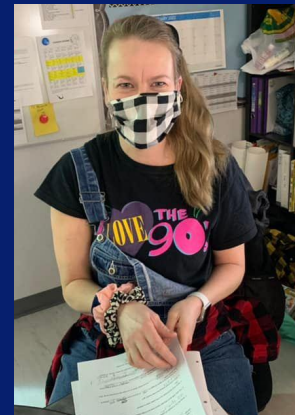

Leo the Lion recently made an appearance at École Bellevue School, and shared a story with some students. They sure love it when he visits!

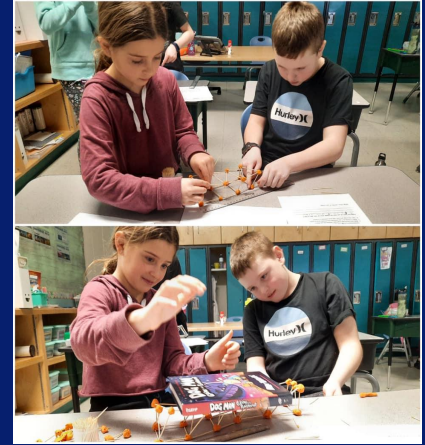

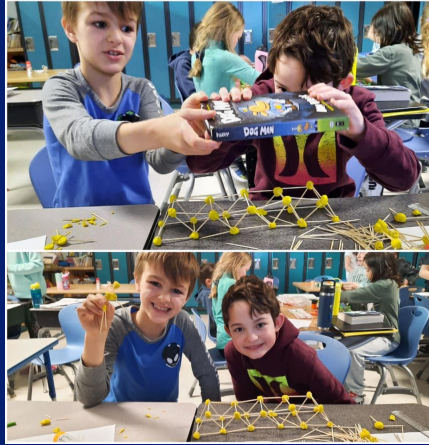

February 18th was 90's Day at Covenant Christian School. Suffice to say, it was like, totally radical, dudes!

Grade 3-2 students at École Coloniale Estates School had to build a bridge for Science spanning 30cm that could withstand the external force of the mighty Dogman!

February 19th was Storybook Character Day in Mrs. Rehill's AM and PM kindergarten classes at École Champs Vallée School. 📖

In January, all students at École Beau Meadow School were given the challenge to design and create their own Kindness Poster for a school-wide contest. After much deliberation, they have four winners!

The two runners up are Molly Draginda and Jaelynn Williams. The two grand prize winners are Ruby Beier and Devyn McKinney! The school had the artists' kindness posters made into t-shirt for the winners. Congratulations, guys!

AWARDS | Long-serving Black Gold educator Dr. E. Ann Lukey, who has taught at École Secondaire Beaumont Composite High School, Warburg School and Leduc Composite High School, has been honoured by her peers on the ATA Science Council with a Distinguished Service Award, in recognition of her many contributions to science education in Alberta.
