Congratulation to the John Maland High School U16 Prep team on winning the 2022 CSSHL Western Championships last month!

École Leduc Junior High School held their annual Science Fair on March 24, and as usual it was amazing!! Thank you to all the students who participated and to Mr. Schenk and his department for organizing.

École Leduc Junior High School's winter carnival was a success! The winners of their Homeroom competition, based on participation, speaking in French and team cheer, was 9F - Dockery's dangerous dolphins!

Floor hockey intramurals have been a great experience for the Grade 3/4 and 5/6 students at École Leduc Estates School over the past month. They've been practicing their skills with lunch hour games and learning to work as teams.

École Bellevue School's in-school floor hockey tournament was a HUGE success! The students finally had a chance to wear their school's new jerseys. A big thank you to their School Council and Fundraising Society for purchasing the new jerseys.

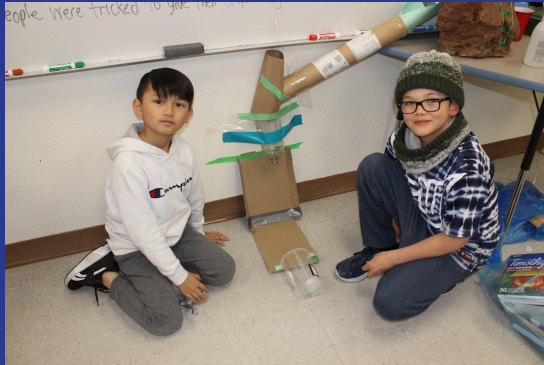

The staff and students at East Elementary School wanted to wish everyone a Happy Easter Weekend!

The grades 6C and 6K classes at École Beau Meadow School spent some time last week on an Easter scavenger hunt! Their final stop was in the staff room to get their treats.

The 4M class at École Beau Meadow School has been busy designing, creating, and testing their marble runs. Here they are working on the process!

The staff and students at Willow Park School wanted everyone to have an “egg”cellent Easter weekend!

Almost 50 students participated in Willow Park School's JUMP Into Spring Break Fitness Challenge on April 9! Every participant received a prize, which were generously donated by the Leduc Recreation Centre and BGSD.

Willow Park School is lucky to have Mrs. White on staff , as she is able to teach clay pottery classes. The school is grateful to PAWS for covering the cost of all their supplies.

Congratulations to the LCHS Tiger Handball team on their April 13 32-23 win over the Blue Devils!
