

SCHOOL NEWS

December 2022

The MHCB Team and the Family Resource Network were at Calmar Elementary School provide after-school activities for students.

Around 48 students engaged in structured physical activities in the gym, Lego creations, mindfulness activities, s'more-making, and sensory activities.

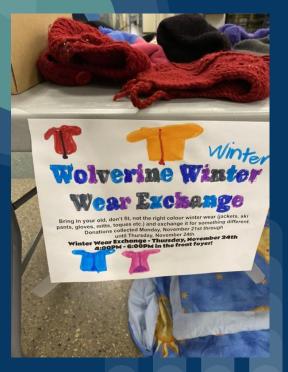

West Haven Public School's latest community service project, the Wolverine Winter Wear Exchange saw students and staff donating much-needed winter wear to the Leduc HUB.

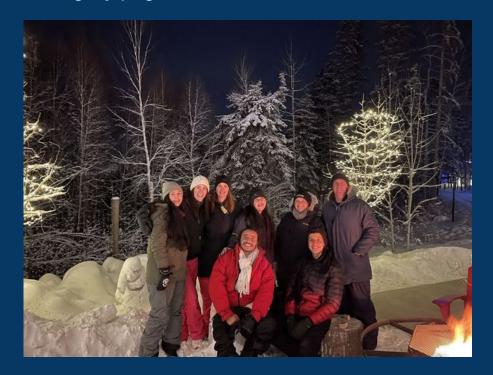

Prior to starting their P.D. day focusing on the 4 Seasons of Reconciliation, West Haven Public School staff escaped the extreme cold during the recent cold snap by starting their day with a warm breakfast and hot coffee.

Eating together is shelter in stormy weather!

Calmar Secondary, New Sarepta Community High and Thorsby Junior/Senior High schools are hosting a cohort of 7 international students and their teacher chaperone from Colombia for 4 weeks. They recently spent a chilly evening enjoying the *Luminaria* at the UofA Botanical Gardens.

Darren Maltais, our dynamic Technology Integration Facilitator, recently led 40 classes (nearly 1,000 students) through an hour of code using Google's CS First.

New Sarepta Community High School and the Black Gold MHCB team hosted a Christmas Family Event last night - taco dinners and gingerbread house creations!

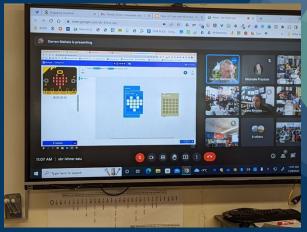

Congratulations to École Secondaire Beaumont Composite High School PE teacher Scott McIntyre and his wife Sue on being co-recipients of the Alberta Schools Athletic Association's 2022 Zone Award of Merit!

Darren Maltais was at it again! He led 400 students on another fun lesson of learning how to code with micro:bits!

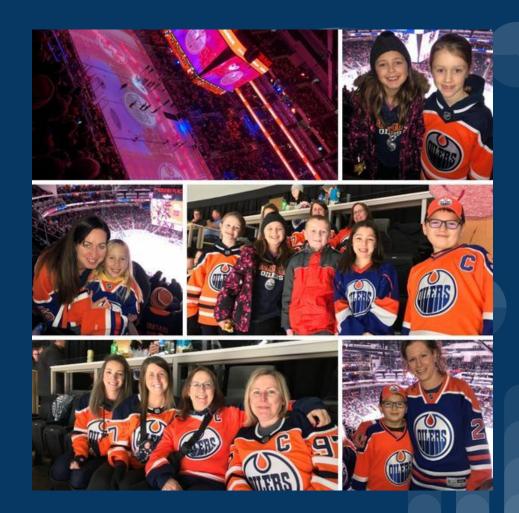

Caledonia Park School families recently came together and made a generous donation to the Leduc Santa's Helpers program. Well done!

École Dansereau Meadows School had their Grade 3 Immersion class have a blast at the Oilers game on Monday night.

Thank you to the Edmonton Oilers 'Give Reading a Shot' program for the tickets!

At École Champs Vallée School, Mme Green's classes have been getting into the holiday spirit, STEM style! Her Coding 8 class made Micro; bit Christmas tree ornaments while the grade 9s enjoyed periodic table themed games (jenga, battleship, uno, and more) under the light of the ChemisTree!

At École J. E. Lapointe School, Mr. Mali's 8th Grade Science class explored plant and animal cells.

A big thank you to everyone at Calmar Elementary School who made a donation to the Calmar Christmas Elves! Their 'train' was overflowing once again this year.

Covenant Christian School had their annual door decorating contest last week. Very festive!

École Beau Meadow School students were treated to lunch, a magician, and a visit from Santa (including gifts!). KDM-Helping Hands hosted this very fun and exciting event.

Mrs. Babcook's class at Warburg School had a fun-tastic Friday sledding in the sunshine!

Finally, Grade 5 École
Corinthia Park School student
Elias Martin (who has a
disability) is shining brightly
onstage as Tim in the Citadel
Theatre's production of A
Christmas Carol!

Photo(s) by Nanc Price featuring the cast and creative team of The Citadel Theatre's production of A Christmas Carol by David van Bell (2022).
