

SCHOOL NEWS

November 2022

École Champs Vallée School hosted an ATA professional development workshop for teachers about building relationships to motivate, engage and encourage students.

Staff at Black Gold Outreach School in Beaumont wanted to show their students a little love before the November break. All grades 7-12 students were invited to make and take a jar of soup ingredients home to make with their families over the break.

Grabia's 4FI class made some
beautiful poppy art

Warburg School's Remembrance
Day ceremony with grades 1, 3
and 4 performances

Remembrance Day events at our schools

Calmar Elementary School Remembrance Day ceremony with Calmar Legion members sharing their wartime stories

Willow Park School students creating Remembrance Day art for their ceremony

Leduc Composite High School Remembrance Day ceremony with special guests Mr. Dechaine, Mr. Rygus and Mr. M'Sahel. As well as musical number from their Band

Three new artworks created by our high school students were selected by the Board for BGSD Permanent Student Art Collection, and are proudly displayed in our showcase at Division Office on the third floor of the County Centre Building.

- École Secondaire Beaumont Composite High School student Amber Hunter's photograph 'Tea Party'

- Leduc Composite High School student Calley Rustand's graphite on paper drawing 'New Normal'

- École Secondaire Beaumont Composite High School student Emma Hickey's white charcoal on paper drawing 'A Fresh Lunch'

École Secondaire Beaumont Composite High School Beaumont Bandits had an undefeated football season and won the Bright Division Championship. Congratulations!!

West Haven Public School donated 1640 pairs of socks to their Toasty Toes and Underclothes drive for the Leduc Hub Association.

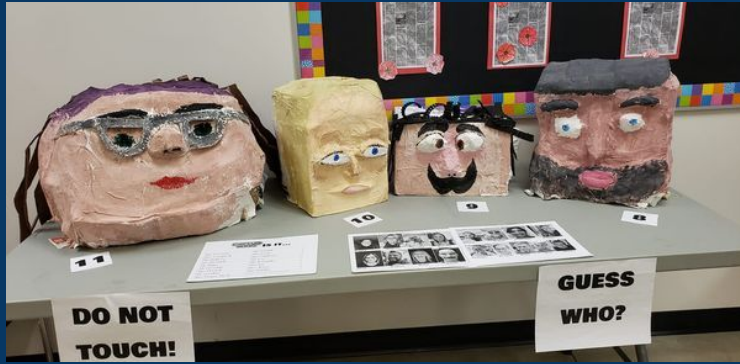

Riverview Middle School now has a beautiful new art piece created by Aimee to honour her indigenous roots, Cree and Métis.

East Elementary Pre-Kindergarten students explored sensory play with slime, water beads and Dinosaurs in the sand.

Sensory play encourages learning through exploration, curiosity, problem solving and creativity.

École Dansereau Meadows School had their junior high art students create bubbleheads of some of the staff. They were displayed during parent teacher conferences for people to guess who they think they might be. There were prizes for the most correct guesses.

The amazing Mrs. Bamber is pictured teaching Space Science to her grade 6 class at Caledonia Park School.

On Sunday November 20th, we welcomed seven international students and their supervisor from Bogota, Columbia, for a four week cultural visit.

The students will be attending Calmar Secondary School, New Sarepta Community High School and Thorsby Junior/Senior High School and staying with host families in the community.

The John Maland High School Senior Girls Volleyball Team won the Zone Championship on Saturday, November 19. They are headed to Provincials!

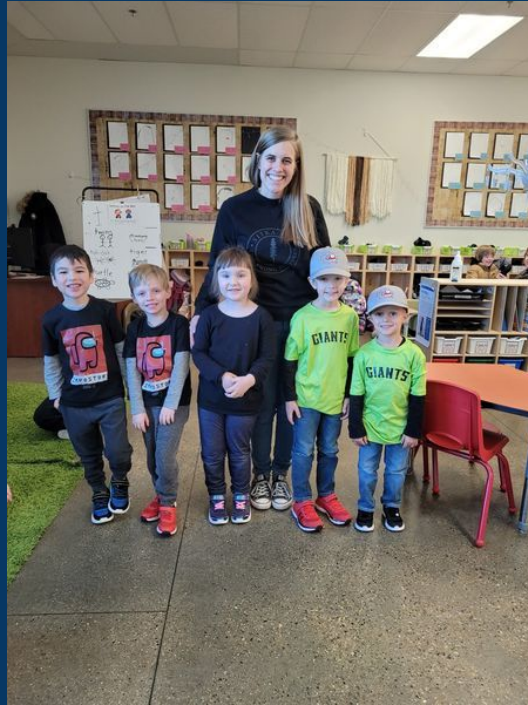

New Sarepta Community High School held an in-person, post secondary Education Liaison Association of Alberta event, hosting Alberta colleges, universities, RCMP, and Canadian Armed Forces. Students were able to explore possibilities for their future!

Warburg School students helped with the Village Light Up preparation. It's great to see our students being civically engaged.

West Haven Public School students and staff had double the fun at their Twins and Triplets Day!

Warburg School Panthers Senior Female Volleyball team is going to Provincials! Congratulations!

New Sarepta Community High School students are having a blast on their lunch break. Mental Health Capacity Building Team Success Coach, Jenna Bosch, has facilitated minute-to-win it games throughout the fall season.
